“Find of the Month”

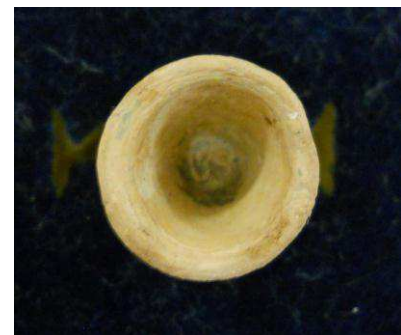

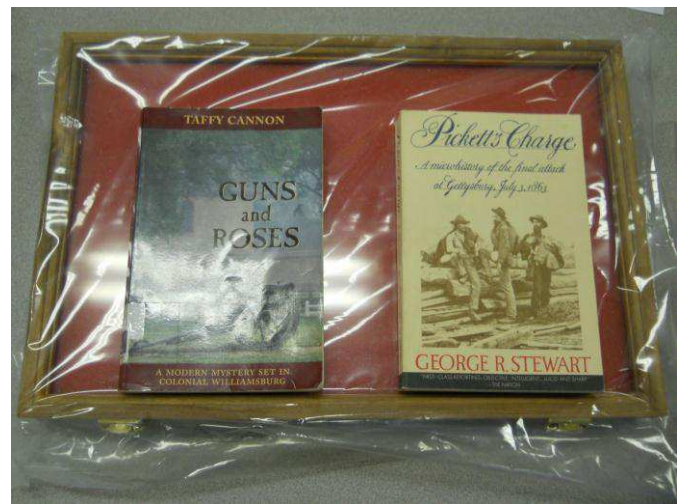

Congratulations Earl K.!

The August 14, 2012, meeting of the **Rapidan River Relic Hunters Association** opened at 7:17 p.m. with prayer at the Unionville, Virginia Ruritan Building with 21 members and 1 guest present.

Club President Jim Lillard presided over the meeting. The Treasurer’s report was provided by Gary White showing the club’s financial status is **\$1544.84.**

The meeting theme was “**Swords and other Pointed Objects.**” What a treat it was to handle a sword that was once witness to our great war.

The club’s 50/50 drawing was held with the prize money of \$42.00 going to Earl K. Talk about a winning evening; however Earl generously donated his winnings back to the club. Three other 50/50 prizes were won; two books and a great “US” based bullet. It was comical when after donating the bullet, Don E. won it back. Being the great guy he is, Don opted to take one of the books instead allowing that lucky Greg H. to win the bullet. Greg didn’t have one in his collection and it was reported he was smiling all the way home.

Find of the Month

Earl K. won the find of the month with a super coat size Wisconsin button. We are not sure which button won because it was hard to choose which one of the two was best.

Next Month’s Theme – “Things Soldiers Whittled on! “
